FORCE 14 UPRIGHT VACUUM

by Ultimate Solutions

SEE THE BENEFITS

of the FORCE 14 Upright Vacuum

Warranty: 1-year.

- The modular design and construction of the FORCE 14 makes maintenance fast and easy.
- A powerful 12 amp motor produces 74.8" of vacuum lift, cleaning carpets in just one pass.
- A separate 1.3 amp motor spins the roller brush bar at 4000 RPM. This motor is designed with overload protection, a non-slip drive belt and an electronic sensor to detect brush bar blockage or belt breaks.
- The motor is dust protected with an in-line filter which makes this vacuum reliable and long-lasting.
- High-efficiency filtration collects the finest dust in a 4.75 quart, dual-wall micro-filtration bag.
- Manual, 4-position carpet height adjustment.
- When the vacuum handle is in the upright position at startup, or when vacuum tools are being used, the roller brush motor automatically turns off to protect the carpet.
- Its balanced center of gravity allows for a light handle weight and prevents tipping when using accessories.
- The telescopic wand with stretch hose extends up to 9-feet for easy cleaning of high, low and tight spaces.
- The polished stainless steel glide plate lets the Force 14 ride gently on the carpet.
- Non-skid, non-marking rear wheels make transport and stair climbing easy and do not scuff floors.
- Includes a handle-mounted tool kit: (1) upholstery brush; (1) dusting brush and (1) crevice tool.
- Includes (1) 50-foot interchangeable safety power cord with strain relief.

APPLICATIONS

- Designed for everyday and commercial use to sweep carpeting. Ideal for hotels, lobbies, offices and more!
- With a powerful 12 amp motor producing 74.8" of vacuum lift and a wide 14" cleaning path, this vacuum allows you to sweep carpets in just one pass!
